

Emergency Operations Center Activation Levels

Activation Level	Agency Action	Staffing
Level 1	Full Activation Command and General Staff positions are assigned and staffed.	Emergency support agencies and organizations are activated and provide mission specific assistance. 24/7 staffing as required.
Level 2	Partial Activation May be a transitional step, or a level which fits a specific event. Limited support is provided by Primary ESF Agencies.	General Staff positions are assigned and staffed as needed (Operations, Planning, Logistics, Finance). 24/7 staffing as required.
Level 3	Minimum activation. Situation monitoring. EOC staff will handle information flow.	Generally the EOC Manager, Operations Section Chief, and a Situation Assessment Unit. Usual business hours.
