

Ogden City Corporation
Request for Qualifications
Design Consultant – Ogden East Temple Project Area

Q & A

- 1) Can you share who will be on the selection committee?
 - a) Given that the RFQ process is still pending, we are unable to share information regarding the selection committee.
- 2) Has the city established a target date for the project's completion?
 - a) There is not currently a target date for completion at this time.
- 3) Are there any schedule considerations, such as grant or funding applications, we should be aware of?
 - a) No schedule or funding considerations at this time.
- 4) On page 3 of the RFQ Item II you mention previous plan concepts. Could we obtain copies of the same to understand the history behind the area and vision?
 - a) No previous concepts are available at this time.
- 5) Has the city completed any General Plans or Specific plans that include this area; that may be of value to review and could be publicly available?
 - a) The most relevant plan for this area was recently adopted by Ogden City. "Make Ogden" gives perspective to the plan for the surrounding properties and how this project can be incorporated into the overall vision for the city. It can be downloaded at the following link:
